

Missio Seminary Becoming a Legacy Partner of Kairos University

We are thrilled to announce that Missio Seminary's Board of Trustees unanimously voted for the seminary to become a legacy partner of Kairos University. This exciting partnership represents a significant step forward in our mission to provide accessible, affordable, and high-quality theological education while preserving and enriching Missio's rich heritage.

As a legacy partner, Missio Seminary will collaborate closely with Kairos University to offer innovative educational opportunities that are both affordable and flexible. This partnership is enabling us to expand our programs and resources, ensuring that students receive the best possible preparation for their ministry and vocational callings.

Through this deepening relationship, students have access to programs and learning experiences provided by Kairos University, which include some of the most affordable accredited degree programs in the United States! This means students can take advantage of monthly tuition that is approximately 75% lower than the national average. Students will also be supported by a mentor team throughout their program of study. We are excited about the doors God will open both in Philadelphia and globally.

Missio Seminary remains committed to our foundational values and traditions. Through this partnership, we will continue to honor our legacy of missional engagement, spiritual formation, and community engagement, while embracing new ways to serve our students and the broader community.

We invite you to join us in celebrating this milestone and to explore the new opportunities this partnership brings. Together with Kairos University, we look forward to a future filled with growth, innovation, and continued dedication to our mission. We remain committed to following Jesus into the world.

For more information, please contact [Greg Henson](#) or [Nicole Showell](#).

Thank you for your continued support of Missio Seminary.
